Professional Activities (Chronology)

1973 – 1977 Attended medical school, Creighton University
M.D. awarded, 1977

1977 – 1978 Internship, Emanuel Hospital, Portland Oregon

1978 – 1981 Served as G.P. with the National Health Service Corps in a physician shortage area in Beaufort, South Carolina in fulfillment of my Public Health Service Scholarship commitment. I was responsible for the total care of my patients including such things as pre- and post-natal care of pregnancies; in-hospital newborn care pediatrics and adult and geriatric care; office gynecology and in-office surgical procedures. I was primarily responsible for admitting and managing my patients when the required hospitalization, and also worked as an emergency room physician throughout my stay there.

1981 – 1982 Attended U.C.L.A. School of Public Health
M.P.H. awarded, 1982

1982 – 1983 Worked as a G.P. at Huntington Beach Family Medical Group in Santa Ana, California

1983 – 1984 Worked as a locum physician for orange County F.P.'s and in industrial medicine.
