

MEDICAL ASSOCIATION OF THE STATE OF ALABAMA®

September 12, 2024

Resident Physician's Section
American Medical Association

RFS Endorsement:

The Alabama Delegation to the American Medical Association (AMA) wholeheartedly expresses its support of Daniel Lee, MD for the resident member of the Board of Trustees to the AMA.

Dr. Lee has been a member of the American Medical Association (AMA) since 2018 and has accomplished significant achievements since joining. Dr. Lee was elected to serve as a Regional Alternate Delegate to the AMA House of Delegates for the Medical Student Section for calendar year 2020 and then served as the Vice Speaker of the AMA Medical Student Section for the 2020-2021 term. Following his involvement in the Medical Student Section, Dr. Lee became heavily involved in the Resident and Fellow Section (RFS) and is currently finishing a two-year term on the AMA Council of Medical Education.

Outside of national involvement, Daniel remains engaged at the state level serving as the Alabama RFS Chair and representative to the Alabama Board of Censors of the Medical Association of the State of Alabama for the past two years. Dr. Lee's service of leadership in both these capacities has been exemplary and he has demonstrated command of the many complex issues facing physicians.

Given his experience on our Board for the past two years in addition to his passion for medical advocacy, the Medical Association of the State of Alabama and the Alabama Delegation to the AMA enthusiastically supports RFS Endorsement of Dr. Lee for this position.

Sincerely,

Buddy Smith, M.D.
Chairman
Alabama Delegation to the AMA
