To the Chair and Vice-Chair of the PacWest Candidates Committee,

We are pleased to endorse Dr. Pauline Huynh, M.D. for a future run for the Resident and Fellow (RFS) seat on the American Medical Association (AMA) Board of Trustees.

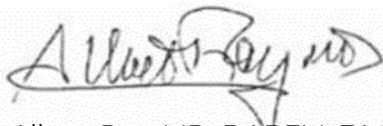

Dr. Huynh first joined the AMA as a medical student at the Johns Hopkins University School of Medicine and has demonstrated a strong and consistent track record as a leader. Since starting her residency with the Kaiser Permanente Northern California program, she has been involved with the California Medical Association (CMA), serving on the CMA-RFS Executive Council as Officer of Policy Analysis. She has encouraged resident involvement in the policy review process at the state and national level and continues to work with leaders of the CMA-RFS to foster engagement among new members.

Through her involvement in organized medicine at the state and national levels, Dr. Huynh has demonstrated to be highly reliable, a quick learner, and a capable leader. She demonstrates extensive experience and expertise in navigating complex processes, leading cross-organizational collaborations, and is a demonstrated advocate for her profession.

As the current Chair of the AMA-RFS, Dr. Huynh is an exceptional candidate ready to represent the AMA Resident & Fellows Section on the AMA Board of Trustees. As representatives of the California Medical Association, we enthusiastically endorse Dr. Huynh's candidacy and have every confidence she will exceed expectations if elected and continue to serve as an important conduit between the AMA-RFS and other AMA constituencies.
