------------	---

6.5.12.2 Investigation & Decision Process. In the event of an alleged infraction, the Speaker and Vice Speaker shall bear the ultimate responsibility as the investigators. The Speaker and Vice Speaker shall have the discretion to delegate any portion of the investigation to the Rules Committee. The extent of delegation can vary depending on the circumstances and the Speaker's and Vice Speaker's judgment. The final authority in making a decision regarding the matter shall rest with the Speaker and Vice Speaker. For a reported infraction to be substantiated, both the Speaker and Vice Speaker must be in agreement. To arrive at a decision, the Speaker and Vice Speaker may involve the Rules Committee as they see fit. No individual who is a candidate for the same position or a related position as the candidate under investigation shall participate in any aspect of the investigation.

6.5.12.2.1 In the event where either the Speaker or Vice Speaker are a candidate for the election being investigated, the MSS Chair will designate one member of the Rules Committee as an investigator to examine the alleged infraction in conjunction with the remaining Speaker or Vice Speaker. Both investigators must agree for a reported infraction to be substantiated.

6.5.12.2.2 In the event where both the Speaker and Vice Speaker are candidates for the election being investigated, the MSS Chair will designate two (2) members of the Rules Committee as the investigators to examine the alleged infraction. Both investigators must agree for a reported infraction to be substantiated.

6.5.12.2.3 The investigators are required to include the candidate in the investigation.

6.5.12.3.1 Following their investigation, the investigators shall inform the alleged violator, Regional Chairs, and Acting Regional Chairs of the infraction in writing, including the results of the investigation of the alleged infraction.

6.5.12.3.2 The alleged violator shall be offered an opportunity to rebut the alleged infraction in writing to the investigators. Regional Chairs and Acting Regional Chairs shall be offered the opportunity to provide comments on the alleged infraction in writing to the investigators.

6.5.12.3.3 Following rebuttal and comments, the investigators shall determine whether the alleged infraction is substantiated and shall report their findings in writing to the alleged violator, Regional Chairs, and Acting Regional Chairs. For all individuals provided with the report, findings of an infraction investigation shall be kept confidential.

6.5.12.3.4 Upon each substantiated infraction of the Campaign Rules, the candidate shall be given an official written notice from the investigators with the final decision authority.

6.5.12.3.5 Following this, the investigators shall report substantiated infractions to the Assembly but shall not make any recommendations to the Assembly.

6.5.12.4 Appeals Process. Appeals occur after a determination of whether an infraction is substantiated. Appeals focus on the process of the investigation or determination. Should a candidate feel that due process was not followed in either of these cases and that an appeal is warranted, they must submit this in writing to the Chair of the MSS within twenty-four (24) hours of being notified of the result and before the start of balloting. The Governing Council, excluding investigators (Section 6.5.12.2) and candidates for the election being investigated, shall promptly convene to review the appeal and determine whether the previous decision should be reversed prior to the start of balloting. Whenever possible, an appeal should be completed prior to the results of the investigation being released to the Assembly.
