### C. Urgent Resolutions Requiring Submission After the Close of Online Member Forum

In the event that a critical issue directly pertaining to IMGs arises after the close of the Online Member Forum, an urgent resolution can be drafted. The resolution may be submitted by any member of the Section for review by the GC. If the GC, by simple majority, agrees that the topic is sufficiently important, urgent, directly impacts IMGs, and cannot be delayed for a future meeting of the HOD, then the resolution will be discussed in-person at the Congress Meeting. The resolution will be approved by a simple majority of the voting members of the Section present at the meeting. It will be immediately forwarded to the House of Delegates for that meeting prior to the AMA deadline for resolutions from Sections.
