

## **MSS GC August Meeting Summary**

08/11/2024

### Topics Discussed:

- Board of Trustees updates including discussions on AMA's role in cybersecurity, collective bargaining, an upcoming BOT Report on AI at the HOD I-24 Meeting, and increased transparency between the BOT and HOD delegates
- A career fair at the MSS I-24 Meeting to increase networking, mentorship, membership, and engagement
- The AMA-MSS Strategic Plan. Some of the key areas the MSS GC is focused on:
  - increasing the support from medical school deans on advocacy initiatives
  - exploring how to legitimize advocacy efforts for use on ERAS applications
  - possible medical student rotation electives
