

To OMSS Colleagues:

It is an honor to write in support of Nancy Church, MD for Chair of the OMSS Governing Council. Nancy has been a tireless worker for physicians and Our OMSS. I have worked with her directly for over twelve years. Whether as a member of the OMSS Governing Council or a member of OMSS Committees, Nancy has shown leadership, innovation and an expert collaborator. Her work as chair of the Education committee has been particularly effective. The education programs at Our OMSS continue to excel. Dr Church has a unique talent to connect Our OMSS with other sections and groups in Our AMA. She has helped me immensely. Nancy helps often and readily. She motivates and encourages others to participate at a high level. Nancy is an outstanding mentor, always looking for and helping young talented colleagues. In short, Dr Nancy Church will make an outstanding Chair of the OMSS Governing Council.
